

Tea Garden Hosts Healing Presentation This Saturday

Tea Garden & Herbal Emporium Owner Mark Ukra invites the community to a special presentation on "Healing the Spirit...Healing the Shen" on Saturday, February 18 from 11:00am to 1:00pm at the Archdiocese of Los Angeles, located at 3424 Wilshire Blvd.

Designed for victims of violent crimes and their friends and family, the presentation, presented by Ukra and Herbalist George Lamourex, will suggest how harmony and inner peace can be achieved through the incorporation of Superior Chinese Herbs and specialized teas in one's diet.

Opened in 1988 and remodeled in 2005, the Tea Garden & Herbal Emporium, located at 9001 Beverly Blvd. in West Hollywood, is well known as purveyors of Chinese herbs and

fine, rare teas. Dedicated to the teachings and guidance toward the integration of the body, mind and soul, Tea Garden & Herbal Emporium's proprietary tonic formulas assist in healing the "Shen", when one's spirit is disturbed. Herbal formulas will be presented and their healing properties discussed, including the Tea Garden's popular "Shen Radiance", "Shen Drops", "Reishi", "Emperor's Garden", "Lycium Combination" and "Quintessence".

Additionally, the benefits of Healer's Tea, which has been used for centuries by healers throughout Asia to protect from depletion and negative energies, will be addressed.
