Tea Masters

The **Tea Garden & Herbal Emporium** specializes in Asian herbs and tonics. Many of the staff members are graduates of Chinese medical colleges. Though founded nearly two decades ago, the Tea Garden changed hands last year. The new owners added a Zen patio and divided the store into an herbal section, a tea section, which has its own menu and tea master, and a lifestyle section offering candles, Bali-made bath and beauty products, Buddhas, books and CDs. 9001 Beverly Blvd., West Hollywood, 310.205.0104.
